BATTLE BOVINE

I can't believe I'm
being forced to reapply
for my super hero
license...

This is outrageous! I want my supergroup discount card and I want it now! What kind of business are you trying to run here?!

Sir, you're not in a supergroup. The Super group Discount Card only goes to heroes in a supergroup.

I have a super group, chump!
These three guys standing
behind me are in my group!

Wait... What did
you just say?

The Weevil ain't in no
super group, Jack.

No, you're in my super
group now. You don't
have a choice in this.

Hours later,
in the supergroup lounge

The Weevil is tired of waiting. The Weevil has a photo shoot to be at.

Do you need to refer to yourself in the third person, Weevil?

Listen, Jack. The Weevil doesn't want to talk to you.

So where did Soil go? And what kind of name is Soil? "Look at me, I'm Soil! I'm gonna start a super group then grab my discount card and leave!"

The Weevil doesn't care if Soil is here or not. The rest of us real super heroes will just fight crime without him.

I'm glad we're thinking the same, Weevil. How about we save the city from some kind of evil when we get out of the waiting room?

Fine. Just walk away, Weevil.
How did I end up in the same
supergroup with this guy?

So what are we naming our
supergroup? I personally like
"Captain Meteor and Friends"

Your name isn't going in the
group name, Cap. We're
calling ourselves "The
Liberty League"

Meanwhile...

Uh.... Master? Can I
ask you a question?

It better be important,
Soda Machine. I'm very
busy right now.

Why exactly are you going after Battle Bovine?

You fool! Battle Bovine is the key!

The key to what?

Um... uh... THAT'S NOT
IMPORTANT! MUA HA
HA HA HA HA HA HA!

Whatever. I'm gonna
take a nap.

Well, now that the "Liberty League" is all registered and I'm a hero again, I'm going to fight some crime!

GASP! What is
this?!

DAD?!

To be continued...
