I need to put an end to  
the Candy Machine's  
tyranny once and for all.  
He is not ruining any  
more birthday parties!

You! Are the one  
they call Battle  
Bovine?

Indeed I am, my  
fellow Bovine.

They call me Dances With Bulls!  
Battle Bovine, there is not enough  
room in this town for two bulls! I  
challenge you to a dancing contest,  
the loser has to leave town!

Meet me at this spot tomorrow, Battle Bovine! I hope you bring an ice cream scoop, 'cause you're about to get served!

Well... we only have one outfit in your size. Since bulls are natural dancers, I don't think it will matter what you wear.

I'll take it!

Are you ready to  
get served, Runs  
With Bulls?

Bring it, Battle  
Bovine!

So how's it feel,  
Battle Bovine?

I admit defeat, Battle Bovine. You are indeed the better dancer. I will return to wherever it was I came from.
