

BATTLE BOVINE

What's this?! Dances with
Bulls did not get rid of you?!
I knew I shouldn't have hired
some nut from the looney bin!

Your ass is grass,
Candy Machine, and
bulls eat grass!

You're going to
eat my ass?!

No, I didn't
say that!

NOT THE FACE!
NOT THE FACE!

STOP
MOVING!

AHHHHHHH!

Super villains
aren't as tough as
they look

Dad would be proud of me defeating my arch nemesis. It just goes to show that sometimes things can get bad, and candy machines will steal your change, but you just gotta hit that candy machine as hard as you can and knock the bag of chips that you wanted loose.... Wait a minutes, what's this over here?
