Star Breeze:
Weilder of Nordic Powers

Suzuki Katana:

Arts Prodigy

Oksah:

Donning the Red and Silver of the Phoenix Force, they go to meet with one Lt. Shrank.

Thank you for coming so quickly... Where is The Cerulean Bolt?

Haven't seen him...

Unfortunate... I was hoping he'd be with you...

No matter, He was helping me with a job but failed... perhaps you all can help me.

Wow! Someone could use that to take out the Trolls!!

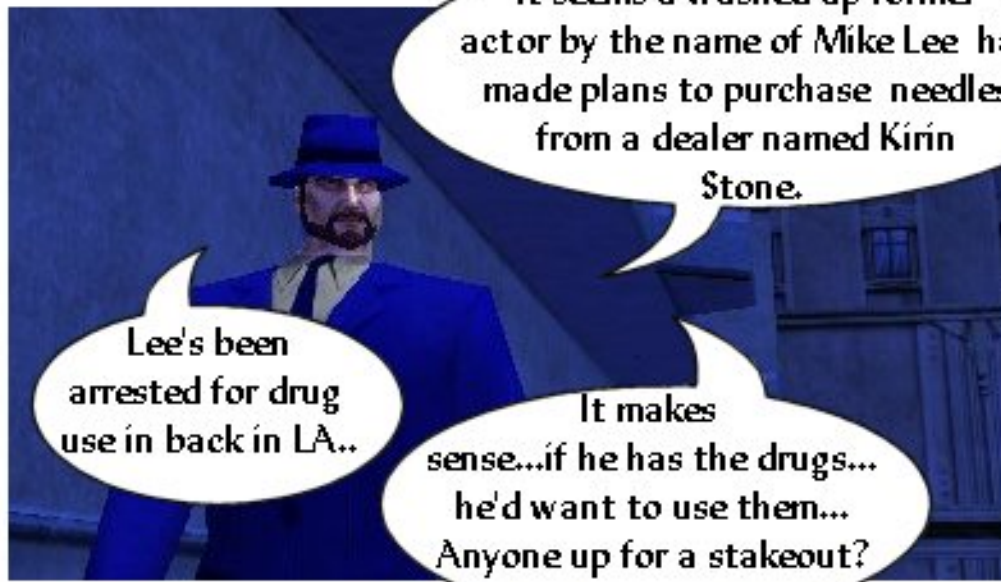

Do any of you watch TV?

The "Package" was a shipment of a new form of Superdyne... one that takes away powers instead of enhancing them...

Indeed... It uses a special type of needle though...

Not much... Too busy stomping bad-guys!

My source tells me that someone is going to purchase some of these needles...

Lee's been arrested for drug use in back in LA..

It seems a washed-up former actor by the name of Mike Lee has made plans to purchase needles from a dealer named Kirin Stone.

It makes sense...if he has the drugs... he'd want to use them... Anyone up for a stakeout?

You can count us in Lieutenant!

Let's go then!!! It's not far..

Lead sir.. We follow.

Later...

Alright... the warehouse is just over this fence...

While your ninja scouts, we'll find someplace high up to watch.

GET THAT DOOR OPEN!!!

Inside...

The scream came from this way...

Keep moving!

This doesn't make any sense... Why would the Bolt...

Oh my God!!! Is that?

It's Kirin Stone.. the dealer... he's dead.

Look at those wounds... they look like electrical burns...

What are you getting at?

Isn't it obvious?

Keep watching!

The Cerulean Bolt is a murderer...

To Be Continued...
