The greatest superhero, EVER!

2 Great  
stories!

Crazy Tim and the  
BBQ for Two  
Heroes

After a long day  
of crime fighting

But where  
will I go  
to eat?

Oh Yeah!

And, after hours  
of eating the  
great-tasting  
BBQ...

And Tim  
thought about  
it...

Well...  
Why not?

And, after  
figuring out  
where ELITE  
was...

I'm very glad  
all of you  
made it.

What are you  
doing here?

I think  
she is  
superhero  
pregiduce!

Let's hurt  
the hate  
out of her!

And, after a  
very bloody  
battle...

Now, I would like you all to tell me what you did.

I stole a lambchop from my grandma.

I punched my friend, Mark in the-

Cry.

I punched him in the groin for his t-bone

I beat up newborns to tenderize their ribs.

I bit through a man's jugular vein for his roast beef.

I don't have a problem...

Other than alcoholism!

I DON'T HAVE A PROBLEM!!!

Well, I just stayed at Infront and ate for a couple hours

YOU ARE  
AN  
ANIMAL!!!

I'm an animal!  
That guy bit  
through a  
man's jugular!

You are acting  
unruly. I'm going  
to have to ask  
you to leave!

One more  
question! Can I  
have your  
number?

Sure.

Well, that  
proves it.

I'm not only  
the best  
superhero  
ever...

But, I'm also  
grat with the  
ladies.

What, you thought  
that was all? Shame  
on you! There's more  
Crazy Tim on the  
way.

There are too many bands!

Well, maybe one more won't hurt.

You guys look like good band members.

I guess.

Fall and die!**

At first, their fans were happy.

But, eventually, their numbers fell

And at the low point of their career, people showed up just to yell at them.

So, it seems that we're done...  
Wait! No we're not, stay tuned!

That was so unexpected how the guy to my left died...

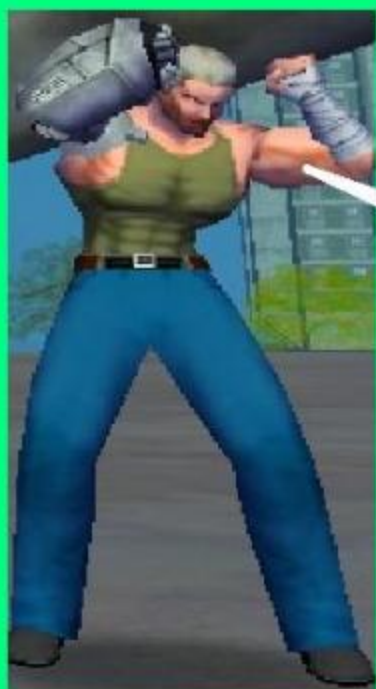

I called him lefty...

Dude, we can't go on...

I wonder where lefty is right now?

Who are you?

I'm your new best friend.
