

The UD Chronicles

Trial By Combat

www.udsg.co.uk

The image shows a wide-angle view of a futuristic nightclub. The ceiling is a complex structure of dark beams with multiple parallel blue neon light strips running across it. The walls are a light, metallic grey. In the center, there is a long, low bar with a bright red neon light strip along its base. Above the bar, a large, rectangular, glowing red light fixture hangs from the ceiling. To the left, there are red, tufted leather sofas. The floor is dark and reflective. In the foreground, there is a dark, perforated metal railing. The overall atmosphere is high-tech and vibrant.
