Nice to meet you (hopefully)!

Don't get much time for all the dating thing especially with all the traveling I do. But it's always nice to come home to the ranch.

I like dancing, throwing the ol' [pigskin](#) with the guys from the fire dept., and love family get-togethers. My ideal girl is blond, athletic, knows how to have a good time and has a great personality. But I'm willing to compromise as long as she's thin.

Trying to kill me is an absolute turn-off!!!

Ciao!
